

FARE LEGGERE TUTTI

# FARE LEGGERE TUTTI

*Il presente libro è scritto nei simboli della Comunicazione Aumentativa Alternativa.*

*È un libro accessibile, dallo scopo ludico, rivolto a tutti i bambini e propone alcune attività interattive di diverse difficoltà.*

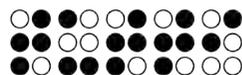

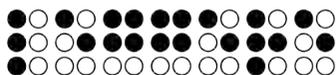

*Questo libro si legge facendo il "modeling": il lettore, che in fase iniziale coincide con l'adulto, indica i simboli ad uno ad uno, "saltellando" con il dito indice sul foglio, facendo attenzione a non coprire né il testo né il simbolo.*

*Il modeling aiuta a stimolare l'attenzione e la concentrazione della persona a cui si legge il libro, a coinvolgerla durante la lettura e a facilitare l'associazione tra parola orale e simbolo grafico.*

*Per scoprire di più sulla Comunicazione Aumentativa Alternativa,  
visita il sito di Fare Leggere Tutti!*

I simboli pittografici utilizzati sono di proprietà del governo di Aragona e sono stati creati da Sergio Palao per ARASAAC (<http://www.arasaac.org>), che li distribuisce sotto Licenza Creative Commons BY-NC-SA.
