

FARE LEGGERE TUTTI

FARE LEGGERE TUTTI

Il presente libro è scritto nei simboli della Comunicazione Aumentativa Alternativa.

È un libro accessibile, dallo scopo ludico, rivolto a tutti i bambini e propone alcune attività interattive in ordine di difficoltà crescente.

Uno strumento di CAA deve essere SEMPRE personalizzato sulla base delle competenze e degli interessi dei bambini e dei ragazzi, e ha lo scopo principale di favorire e incoraggiare la comunicazione e lo scambio relazionale.

Pertanto, questo semplice libretto può essere utilizzato come occasione per passare un momento piacevole insieme o come spunto per creare attività su misura.

I simboli pittografici utilizzati sono di proprietà del governo di Aragona e sono stati creati da Sergio Palao per ARASAAC (<http://www.arasaac.org>), che li distribuisce sotto Licenza Creative Commons BY-NC-SA.
